CAGE Code	1JVA7
Subcontractor POC	Thomas Garver / Joel Benefield
Subcontractor Phone Number	703-600-2613 / 703-465-7955
Subcontractor Email Address	tgarver@stargates.com / jbenefield@stargates.com

### Rational for Adding Team Member

#### Technical Capability

STARGATES provides value-added system engineering and acquisition business support to DoD and DHS programs. STARGATES employees include a combination of engineers, managers, former military personnel, contracts and financial specialists; with core competencies in (1) Acquisition and Program Management support (2) Technical Services, Software and Systems Engineering, and (3) Information technology. Several employees are prior military personnel and former civil servants with security clearances at all levels who bring special expertise to processes and products associated with the complexities and sensitivities of DoD contract work and security procedures.

Engineering Services provided to previous customers are related to process improvement, program management, program support and general engineering of military equipment such as Undersea Warfare (USW) sensors, processors, and related networks. Our contracts and tasking cover several fields including engineering, logistics, information technology, software development, tele-communications, command and control, systems engineering, program management support, financial analysis, and support to implementation of systems on platforms.

### Task that Team Member will Perform

NAVSEA, NUWC Newport, SPAWAR Headquarters and SSC Atlantic and Pacific, Office of Naval Research, NAVAIR Headquarters
